

MICHAEL WOODS

Michael Woods has 20 years of plumbing design experience for a wide variety of projects, including research labs, office buildings, educational facilities, hospitals and medical office buildings, parking garages, restaurants, grocery stores, and in-flight kitchens. Mr. Woods' design experience includes lab waste, lab waste vent, cylinder gas systems, natural gas, compressed air, lab vacuum, laboratory hot and cold water systems, and purified water. Mr. Woods works closely with Architects, Code Officials, Facility Maintenance and other Project Consultants during the design phase to provide for a thoroughly coordinated project with constructability always in mind.

EDUCATION

Associate of Science,
Applied Engineering, Walker
College, 1977

AFFILIATIONS

American Society of
Plumbing Engineers

YEARS OF EXPERIENCE

40 years total
11 years with Taylor
